Our History

The Bana family's legacy in South Africa spans over 90 years (1932-2023), with a primary focus on the clothing industry. The Trendcorp Group, spearheaded by Ashraf Bana in its third generation, has thrived in the African market.

Evolving with the times, the family has adeptly diversified their business portfolio, venturing into sectors such as Mining, Construction, Energy , Fibre Optics, Property, Furniture, Fashion Accessories and FMCG products.

We have cultivated a philosophy that places us at the forefront of cutting-edge solutions. Our relentless commitment to exploring new and inventive approaches empowers us to continuously streamline processes and unveil groundbreaking products, ultimately saving both time and money for our valued clients. Join us on the journey where tradition meets innovation, and experience the unparalleled commitment to progress that defines us.

Your Trusted Global Procurement Partner in Africa

At Procurecorp, we are dedicated to delivering comprehensive procurement services in Africa. Our commitment extends beyond supplying the best products for your business needs. We offer comprehensive services, ranging from logistics to supply chain. Procurecorp specializes in delivering procurement, supply, and logistical solutions to the mining, energy, and construction sectors. With office and warehouse facilities strategically located on the African continent enabling us to source and consolidate supplies from around the world to various African Countries.

Procure Corp is part of
the Trendcorp Group of companies.

FUELING SUSTAINABLE GROWTH ACROSS AFRICA

MISSION

Our mission is to provide our clients with reliable, cost-effective, and efficient procurement services. We strive to create strong relationships with our clients and suppliers to ensure high-quality and timely outcomes.
